ASSOCIAZIONE DI PROMOZIONE SOCIALE

WHO WE ARE

We are an Association based in Bastia Umbra at the Didasko centre.

WHAT WE DO

We protect civil rights in education and welfare for children in their developmental years.
We protect the rights of the family and promote interculturalism in our society.

EDUCHIAMOCI
ASSOCIAZIONE DI PROMOZIONE SOCIALE

WERE THE IDEA COMES FROM

Solving problems related to social isolation that have caused a serious increase in problems such as:
- Anxiety
- Depression
- Panic
- Social withdrawal
- etc.

1 in 4 adolescents has the clinical symptoms of depression

1 in 5 signs of an anxiety disorder

THE SOLUTION

An App aimed at young adults people that breaks down the problems related to the “patient-psychologist” approach, stimulating people to become aware of their emotional distress while remaining anonymous and preventing the onset of conditions that can worsen over time.

P_0
T+ 0 months
Activity creation and hiring professionals

P_1
T+ 9 months
Creation of 3D asset, programming of the multiverse platform.
Alpha test within local communities in Montefalco

P_2
T+ 18 months
Beta testing with selected educational institutions

P_3
T+ 24 months
Open release to Italian educational institutions
Hiring new professionals; developers and psychologists

P_4
T+ 36 months
Release open to the public;
Starting maintenance public service;
Creation of new offices

GOOD ASPECTS

- Creation of work (online and offline) in this field
- Free to use
- We introduce the concept of immersivity in therapy
- Immersive experiences make the user instantly understand the message, make him excited and, consequently, interact, without any explanations
- Possibility to be used independently or assisted by a professional.

BAD ASPECTS

- Lack of funds for development
- Costs of highly skilled personnel
- Business not developed

Team work for the #SHU2022
